

The Attivo Group Hires Four New Employees

IRVINE, CALIF. – January 21st, 2011 – The Attivo Group, a business software value added reseller and consultancy organization serving manufacturers, distributors and service companies continued to expand their staff with the addition of four new employees in response to year over year revenue growth exceeding 50%.

Kathy (Moreno) Vickers is the newest addition to the Sales team. Kathy brings some great skills to the team with over 21 years of experience working with Sage's products. General Manager Len Reo said, "Kathy's extensive background with Sage's products makes her the perfect fit for our sales team. We are very excited to have her on board at The Attivo Group."

The second addition is that of Tracy Beblie, who joined the Attivo Group as a MAS 90/200 Senior Consultant. With over 21 years of working with the MAS 90/200 Tracy is excited to be a part of The Attivo Group. Consultancy Manager Terry Moore says, "Tracy has been a great addition to the Attivo Team and expect him to be valuable resource for our MAS 90/200 customers!"

Tim Dysard joins The Attivo Group with over 9 years of experience developing custom solutions using Exact Software technologies and over 12 years of experience in the IT industry overall. Len Reo says, "This addition really strengthens the overall experience of our Consulting team. I have no doubt that Tim's experience with Exact Software's products will make him a great fit for our customer's needs. His technical and programming skills we be a tremendous asset to our team."

Kevin Hundt has joined The Attivo team as Senior Consultant and Project Manager. Kevin joins the Attivo Group with over 30 years of experience in Business and Operations Consulting for the Industrial Manufacturing and Distribution Business Sector. Terry Moore says, "Kevin's experience in Manufacturing and Distribution gives The Attivo Group another valuable resource for our Sales Team to work with. I have no doubt that Kevin will fit right in and be a tremendous asset for our company."

About The Attivo Group
