

The Attivo Group Hires New Senior Sales Manager

IRVINE, CALIF. – June 2nd, 2010 – The Attivo Group, a business software value added reseller and consultancy organization serving manufacturers, distributors and service companies, today announced the hiring of Christine Markuson as Senior Sales Manager.

Markuson has over 20 years of experience in software sales and technology. Her experience includes working with business process management, application development, CRM, and ERP systems.

“Christine’s sales and ERP software experience and her enthusiasm for business challenges and team-based success, will serve her well here at the Attivo Group,” said Len Reo, General Manager at Attivo.

“Her experience with Business Process Management, application development, CRM, and project management will be a valuable asset as well.”

A graduate from California State University, Long Beach with majors in Business & Sociology, she has completed a post-graduate Business Analyst Certificate Program with the University of California, Irvine.

With 20 years of experience, The Attivo Group is expert in most types of business productivity software, as well as being skilled business consultants. Winners of the Outstanding Service Award among all Exact Software business partners, The Attivo Group understand how to streamline operations for their clients, and improve efficiencies in all aspects of their business. Providing a customized “Continuous Improvement Roadmap” they lead clients through automation projects to support the ever-changing needs of their operations.

About the Attivo Group

Headquartered in Orange County, California, The Attivo Group, Inc. provides world-class business application software and consulting services to small and mid-sized manufacturers, distributors and service companies. Through assistance in implementing best practices, the Company works with clients to optimize and redesign business processes that integrate front-and back-office systems to significantly reduce the cost of operations.
