All software titles available for download through this or any other website owned and operated by The Attivo Group are provided by third party software vendors pursuant to license agreements or other arrangements between such vendors and the end user. The Attivo Group disclaims any responsibility for or liability related to the software. Any questions complaints or claims related to the software should be directed to the appropriate Author or Company responsible for developing the software.

The software is provided by The Attivo Group "as is" and "with all faults". The Attivo Group makes no representations or warranties of any kind concerning the quality, safety or suitability of the software, either expressed or implied, including without limitation any implied warranties of merchantability, fitness for a particular purpose, or non-infringement.

The Attivo Group makes no representations or warranties as to the truth, accuracy or completeness of any statements, information or materials concerning the software that is contained on and within any of the websites owned and operated by The Attivo Group.

In no event will The Attivo Group be liable for any indirect, punitive, special, incidental or consequential damages however they may arise and even if The Attivo Group has been previously advised of the possibility of such damages.

There are inherent dangers in the use of any software available for download on the Internet, and The Attivo Group cautions you to make sure that you completely understand the potential risks before downloading any of the software. You are solely responsible for adequate protection and backup of the data and equipment used in connection with any of the software, and The Attivo Group will not be liable for any damages that you may suffer in connection with using, modifying or distributing any of the software.
